Green Lifespace to Provide Recycling for Savannah Craft Brew Fest

Savannah, Ga... In an effort to “go green,” Green Lifespace will be working with the Savannah Area Convention & Visitors Bureau (CVB) for the second year in a row to provide recycling services for the Savannah Craft Brew Fest.

For last year’s inaugural Savannah Craft Brew Fest, Green Lifespace recycled an estimated 2,300 lbs. of glass beer bottles. Every single bottle was recycled at the City’s Recycling Center. Once again this year, Green Lifespace is helping the CVB to “go green” by not only picking up the recycling but making sure the event is low impact on the environment.

“The Savannah CVB is always looking for ways to proactively reduce our carbon footprint especially at our special events. The partnership with Green Lifespace will be a positive green effort for the Savannah Craft Brew Fest and the community,” said Joseph Marinelli, President of the Savannah CVB.

Green Lifespace provides the following services: recycling for local restaurants and businesses, green consulting for restaurants and events, decluttering and reorganization, energy efficient space planning, detailed examination of homes energy usage and more.

For more information on Green Lifespace and the services they provide, please visit www.greenlifespace.com.

The Savannah Craft Brew Fest will be held on Labor Day Weekend on September 4 and 5. On Friday, September 4, the Craft Brew Pairings Dinner will take place at the Morris Center

at Trustees Garden at 6 p.m. This event will feature delicious Lowcountry cuisine paired with craft brews from across the country. There will be live entertainment and all proceeds will benefit Senior Citizens, Inc. Tickets are \$50 in advance and \$75 at the door.

The Savannah Craft Brew Fest will be held on Saturday, September 5 from 1-7 p.m. and will feature more than 120 different craft brews, live entertainment, food offerings and souvenir items for sale. Overlooking the Savannah River and beautiful Historic Savannah, this outdoor event will be held on the Esplanade at the Savannah International Trade & Convention Center. Tickets are \$35 in advance and \$40 at the door. For more information on the Savannah Craft Brew Fest, please visit www.SavannahCraftBrewFest.com.
